Russia, Oceania) jens.langer@io.uni-freiburg.de ▪ **Ms. Mareen Kästner** (USA, Canada, Oxford) mareen.kaestner@io.uni-freiburg.de ▪ **Ms. Susanne Obert** (Baden-Württemberg scholarship) bw-stipendium@io.uni-freiburg.de

Dates:

Semester	**Semester 1 (Winter)**	**Semester 2 (Summer)**
Semester dates	1 Oct 2019 – 31 March 2020	1 April 2020 – 30 Sept 2020
Application deadline *for Freiburg Global Exchange (incoming) students*	**1 April 2019**	**1 Nov 2019**
Arrival Days *for Freiburg Global Exchange students participating in the intensive language course in March/September* **Arrival Days** *for Freiburg Global Exchange students, official semester start*	2 Sept 2019 & 1 and 2 Oct 2019	1 March 2020 & 1 and 2 April 2020
Welcome Days (Orientation)	11 Oct 2019	12 April 2020
Orientation mandatory?	Yes	Yes
Teaching periods	**21 Oct 2019 – 15 Feb 2020**	**20 April 2020 – 25 July 2020**
Exam periods	Usually during the last weeks of the teaching period, but for some classes, exams may be scheduled up to two weeks after the end of the teaching period.	
Holidays & Vacation periods	• All Saints' Day: 1 Nov 2019 • Christmas break: 23 Dec 2019 – 6 Jan 2020	• Labor Day: 1 May 2020 • Ascension: 21 May 2020 • Pentecost: 1-6 June 2020 • Corpus Christi: 11 June 2020
For more information on dates, deadlines & events:	**www.uni-freiburg.de/go/sem-term**	

Arrival:

Nearest airports **(no aiport pickups)**	EuroAirport Basel-Mulhouse-Freiburg, Frankfurt (Germany), Zuerich (Switzerland)
Nearest train station	Freiburg im Breisgau Hauptbahnhof (Main Station)

Accommodation:

University accommodation	The International Office will provide accommodation in a student dormitory to all University of Freiburg Global Exchange students upon application (see "Application" below).
Types of housing	Student dormitories with single apartments or single rooms in shared apartments.
Shared apartment sizes	1-7 people sharing a kitchen and a bathroom *(some entire floors might share multiple bathrooms and kitchens)*
Distance housing to university	5-15 minutes by tram or bus, 5-20 minutes by bicycle, 10-40 minutes on foot, depending on dorm location.
Meals and Dining	No meal plans included in housing. Dining hall and cafeteria meals are paid per meal with university ID on a student rate.

Application:

Application materials	**www.studium.uni-freiburg.de/documents/austausch**
Application procedure	1) Partners please fill in the nomination sheet you will receive by email. 2) Your student(s) have to prepare the following supporting documents before they fill in the online application: • Copy of passport page *(ID page)* • One digital passport photo • Language certificate (if available) *(e.g. DAAD certificate, others also accepted)* 3) The student(s) will find our online application form at the following link: ***www.uni-freiburg.de/go/global-bewerbung*** *Note: This form should be used only by Exchange Students coming to the University of Freiburg within a university-wide exchange agreement that is coordinated by the International Office ("University of Freiburg Global Exchange") and* ***NOT by Erasmus students****.* 4) Students have to submit the online application and upload the above mentioned documents. 5) **PhD students** are welcome during regular semester dates and in addition need to hand in a letter of acceptance ("Betreuungszusage") issued by a Freiburg supervisor.
Application outcome	Freiburg Global Exchange students will receive an admission letter, housing offer, and further helpful information in **June/July (for those coming in October)** or in **January/February (for those coming in April)** respectively. Admission is always granted for one semester only; students register for the second semester (one-year exchange) in Freiburg.
Admission	Admission is granted under the status of **non-degree-seeking-student**. Please note that the **maximum age** of participants at the Freiburg Global Exchange Program is 35 years for students as well as for PhD students. Admission is limited to the applicant and does not include family members such as spouses and/or children.
Extension of exchange period	Extension of admission beyond the exchange semester/year is only possible under exceptional circumstances.

Academics:

Areas of study available to Global Exchange students	Classes from all faculties with a few exceptions listed below. Language and/or academic prerequisites may apply.
Areas of study NOT available to Global Exchange students	Medicine, Dentistry, Pharmacy, Molecular Medicine, Psychology. University College Freiburg (UCF): UCF is not generally open to the exchange. Exchange students may register for classes during UCF's registration period III, during which still available places in classes are filled. Admission is granted upon priority order.
Language(s) of instruction	German, with some courses taught in English. For detailed information please see current course catalogue and search for English-taught classes or consult study advisors at the faculties.
Language requirements	Freiburg Global Exchange students should have German language skills at least at level A1 (CEFR*). Regular classes held in German will require a B2/C1 level. **Common European Framework of Reference for Languages (CEFR)*
Language Teaching Center (SLI)	**www.sli.uni-freiburg.de/home-en**
Preparatory language courses	Four-week intensive German language courses are offered by the Language Teaching Center (SLI): General fees apply (course fee + accommodation, around 1000 EUR) Available in: February, March, August, September **www.uni-freiburg.de/go/sommer-winter-home-en**
Language courses available during the semester	During the semester a variety of tuition-waived German language courses and seminars (language levels A2-B2) are offered for Freiburg Global Exchange students through the **Language Teaching Center (SLI).** Freiburg Global Exchange students will be informed about registration by email.
German Department	The German Department/Deutsches Seminar is a university institution focusing on teaching and research for which a high level of language skills (B2/C1) is essential.
Full time course load per semester	Recommendation for exchange students: 24 ECTS points with no up nor down limit.
Course catalogue	Available from July onwards (for those coming in October, winter semester) and from January onwards (for those coming in April, summer semester). For courses, course descriptions, contacts etc. please see**:** **www.uni-freiburg.de/go/campus-en** and/or contact study advisors at the faculties.
Course registration	Around August (for those attending the winter semester) and February (for those attending the summer semester). Mainly online registration, sometimes by email or personally. For questions please contact study advisors at the faculties.
Credit transfer	It is the responsibility of the applicant to arrange credit transfer with their home university.
Transcripts	Records of academic achievements (including European Credit Transfer System records – ECTS) **are provided on demand**.

Finance and Insurance:

Cost of living estimates per month	• Accommodation: 250 – 400 EUR • Food: 200 EUR • Clothes: 50 EUR • Study materials: 40 EUR • Public transportation: 94 EUR *(Semester ticket valid for 6 months)* • Health insurance: 90 EUR • Telephone, TV, Internet: 50 EUR • Miscellaneous: 80-100 EUR Minimum living expenses: 800 – 900 EUR per month *Note: All figures are intended as an orientation only.*
Student and administrative fees	All University of Freiburg students must pay administrative fees (currently 142 EUR per semester) for student services offered by the Student Union, including the right to purchase the semester ticket (public transport). **Freiburg Global Exchange students pay a reduced rate of currently 78 EUR.** All students must pay a 400 - 500 EUR deposit for dormitory housing which will be refunded at the end of their stay.
Baden-Württemberg Scholarship	Exchange students who receive a placement (1 or 2 semesters) in the University of Freiburg Global Exchange Program (NOT Erasmus) are eligible and encouraged to apply for this specific **scholarship.** **Please keep in mind the strict deadlines:** usually **1 April** for the winter semester resp. **2 November** for the summer semester (always check current call for applications). This includes an online application which has to be submitted by that deadline! For details please refer to link above.
DAAD scholarships	The DAAD (Deutscher Akademischer Austauschdienst - German Academic Exchange Service) offers a variety of scholarships for German and Non-German (exchange) students, PhD students, and researchers. Detailed information can be found at **www.daad.de**. The application usually has to be submitted from the home country prior to the stay in Germany.
Health insurance	All students need proof of sufficient health insurance in order to be enrolled. A German public health insurance plan is mandatory for exchange students. These plans offer maximum coverage and cost approximately 90 EUR per month. **The University of Freiburg will not cover any medical bills for students.**
Liability Insurance	We strongly recommend purchasing a liability insurance plan ("*Haftpflichtversicherung*"). This insurance covers everyday life risks, e.g. unintentionally injuring a pedestrian with your bike or breaking someone else's property. Liability insurance in Germany costs roughly 50 EUR per year.

Miscellaneous:

Center for Key Qualifications	The Center for Key Qualifications (ZfS) offers three courses for international students with 3 ECTS points each: intercultural competence/studying in Germany (winter and summer semester), academic writing skills (winter semester only; in German), and a short, practice-oriented intercultural training for incoming exchange students (two days at the start of each semester).
Resources/services for students with disabilities	For services for students with disabilities please see**:** **www.studium.uni-freiburg.de/service_und_beratungsstellen-en/studying-with-a-disability/handicap-en**
Visa Requirements	**Nationals from Non-EU-Countries** have to apply for a visa for educational purposes at a German Embassy in their home country. **Nationals from EU-Countries** as well as Iceland, Liechtenstein, Norway, Switzerland, Australia, Israel, Japan, Canada, New Zealand, the Republic of Korea and the USA do NOT need a visa. **ALL Freiburg Global Exchange students** have to apply for a residence permit with the local authorities (Ausländerbehörde) after their arrival in Freiburg.
Emergencies	German universities do not usually provide emergency phone contacts. For emergencies call the **European Emergency Number 112** free of charge to reach police, medical or emergency services.
Important Websites	**University of Freiburg** **www.uni-freiburg.de** **International Office (IO)** **www.international.uni-freiburg.de** **International Admissions and Services (IAS)** **www.uni-freiburg.de/go/ias-en** **Student Services Freiburg (SWFR)** **www.swfr.de/en/** **Local authorities (Ausländerbehörde)** **www.freiburg.de/pb/,Len/205368.html** **Course catalogue** **www.uni-freiburg.de/go/vvz** **Language Teaching Center** **http://www.sli.uni-freiburg.de/home-en** **Transcripts** **Transcripts** **Baden-Württemberg scholarship** **Baden-Württemberg Stipendium**

● University of Freiburg

→ ***At a Glance***

- 25.000 University students
- 18% International students
- 300 Degree programs
- 100 Research institutes and seminars
- 11 Faculties
- 1 Language Teaching Center
  (“Sprachlehrinstitut” = SLI)

→ ***Freiburg Global Exchange Program***

- Student exchange program (incoming/outgoing)
- Worldwide partner universities: Africa, America, Asia, Oceania
- Tuition fee waiver
- Service packages and support
- Accommodation guaranteed
- Language program included
- Baden-Württemberg STIPENDIUM

● Study Areas and Program Options

→ ***Faculties***

Faculty of Theology
Faculty of Law
Faculty of Economics and Behavioral Sciences
Faculty of Medicine
Faculty of Philology
Faculty of Philosophy/Humanities
Faculty of Mathematics and Physics
Faculty of Chemistry, Pharmacy, and Earth Sciences
Faculty of Biology
Faculty of Environment and Natural Resources
Faculty of Engineering

→ ***Language Teaching Center - SLI***

- "Sprachlehrinstitut" = University's Language Teaching Center
- Language courses during the semester
- Four-week intensive language courses before semester start
- Seminars at lower German language levels
  (Political Sciences, History, European Topics, Green City etc.)

→ ***Global Exchange Options***

- German taught classes (all faculties)
- English taught classes (all faculties)
- German language courses (SLI)
- Seminars at lower German language levels A2-B2 (SLI)
- Duration: one semester or one academic year

● Key Dates

Semester 1 (German winter semester)

1 October – 31 March

- Orientation: Mid-October
- Teaching period: End of October – Mid February
- Exams: At the end of teaching period

Semester 2 (German summer semester)

1 April – 30 September

- Orientation: Mid-April
- Teaching period: End of April – Mid July
- Exams: At the end of teaching period

● Entry Requirements

Eligibility

- Interest in Germany
- English and/or German language skills
- Curiosity and openness!

Language requirements

- German A1 – for German language course participants
- German B2/C1 – for German taught classes
- English B2 – for English taught classes

Limitations

- Medicine, Pharmacy, Psychology
- University College (UCF)

Exchange alumni…

"The University of Freiburg is one of the oldest universities in Germany, rich in tradition and one of the few universities in Germany that offer studies in Musicology at a very high level. At the university, you will encounter a broad variety of courses, good facilities and support services, friendly staff and students, all of which will help you to advance in your studies.

Hiroyo
Kinjyo Gakuin University, Aichi
Japan

"Freiburg is a beautiful uni town nestled in the Black Forest, perfect for exchange with great student life and ski slopes around the corner! I loved how everything is reachable by bike - uni, bars, and the mountains. My German housemates became some of my best friends (and my German language skills skyrocketed). Looking back, my exchange in Freiburg was a transformative time of my life which I would do again in a heartbeat!"

Ashwyn
The University of Melbourne
Australia

"I decided to study in Freiburg, because the university's Faculty of Law enjoys a very good reputation. The university is well organized and its staff very friendly and helpful. Located in the heart of Europe, Freiburg is a wonderful city in the midst of the black forest and also said to be one of the warmest cities in Germany. It was really easy for me to adapt to the local culture and I took home many treasured memories and new friendships. Studying at one of Germany's top universities was a dream come true and without doubt one of the best experiences of my life!

Leonardo
Lawyer at Sergio Müller Advogados
Brazil

"Freiburg is beautiful within itself for its landscape and architecture but what I found that its students and citizens of the university and city are very kind. They are very patient and understanding what I need help with my very minimal German skills; even to the point where they teach me everyday German terminology."

Monika
York University, Toronto
Canada

"The Department of German at the University of Freiburg offers specific German courses targeted at international students, so called Seminars, which are conducted in German, but at a much slower pace than regular German courses. My professors here were always very supportative, patient and tried to make sure that every student could follow the class. Freiburg also offers many possibilities for fans of culture and nature alike. Its location close to Switzerland and France presents you with excellent opportunities to explore Europe.

Geoffrey
University of California, San Francisco
USA

…in their own words!

● How to Apply?

Step 1: Check if your home university has an agreement with University of Freiburg.

Step 2: Ask for application deadlines and hand in application at home university.

Step 3: Get nominated for the exchange by your home university.

Step 4: Receive helpful information and offer letter by University of Freiburg.

Step 5: Arrange your travel plans.

Step 6: Start study on exchange at the University of Freiburg.

Step 7: Get your transcript and arrange credit transfer with your home university.

● Orientation

→ **Arrival Days**

Welcome package for Freiburg Global Exchange students:

- Dorm key
- Health insurance
- Bank account
- Transportation ticket
- Freiburg Unicard
- Maps and other helpful information

→ **Welcome Days**

- Orientation sessions for international students
- Student tutors/buddy program
- Studying in Freiburg
- Tips & Tricks for everyday life in Freiburg
- International Welcome Dinner Buffet

● Finance

⟶ ***Fees and costs***

- Tuition fee waiver at University of Freiburg
- Administration fee waiver at University of Freiburg
- Social fee (around 80,- Euro per semester)
- Living costs/monthly budget (recommended): ≥ EUR 800

⟶ ***Scholarships***

- Baden-Württemberg STIPENDIUM (exclusively for exchange students)
- DAAD Scholarship program

● Accommodation

→ ***Student dorms***

- Guaranteed accommodation for exchange students
- Single apartments or single apartments in shared flats
- No meal plans included
- Dining halls and cafeterias available

→ ***Private housing***

- Online database for landlords and tenants
- Different room types and size

● Social Life

- International Club
- Field trips
- Tandem program
- Student clubs
- Events and parties
- University sports
- Music, bands, choirs
- Theatres, cinemas
- Museums
- Black Forest swimming, hiking, skiing
- and many more!

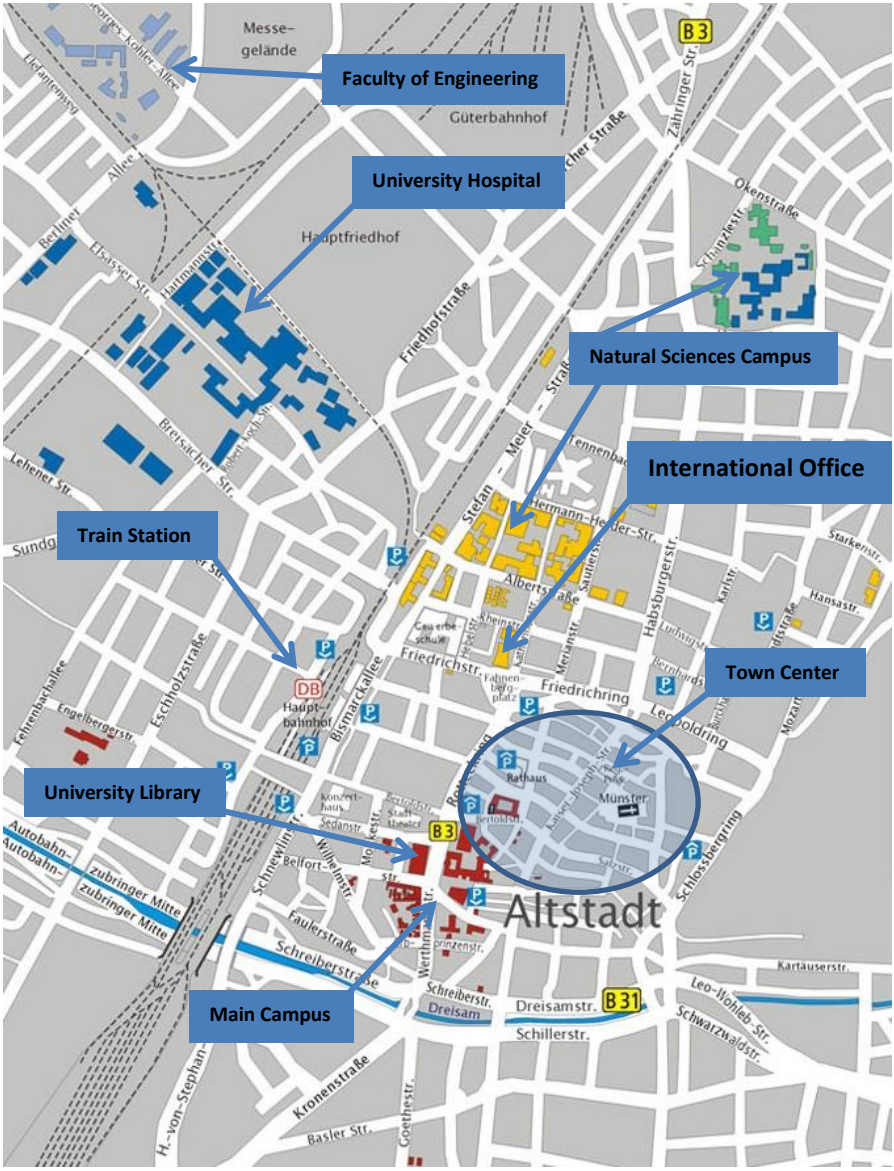

● Eucor – The European Campus

- European Confederation of the Upper Rhine Universities
- Established in 1989
- Basel, Freiburg, Karlsruhe, Mulhouse-Colmar, Strasbourg
- More than 100,000 students and 11,000 scientists and teaching staff
- Students can participate at partner universities‘ classes
- European Campus for teaching and research

KIT/Karlsruhe | UniBas/Basel | UdS/Strasbourg | UHA/Mulhouse

BADEN-WÜRTTEMBERG-STIPENDIUM (2019/20)

ALBERT-LUDWIGS-UNIVERSITÄT FREIBURG

Ausschreibung für **Incoming-Studierende**

(Achtung: Die Ausschreibung erfolgt vorbehaltlich der endgültigen Freigabe durch die Baden-Württemberg Stiftung!)

Bewerben können sich Studierende sowie Doktorandinnen und Doktoranden unserer internationalen Partneruniversitäten im Rahmen des **universitätsweiten Austauschprograms „Freiburg Global Exchange**“, die an der Albert-Ludwigs-Universität Freiburg (ALU) einen Studienabschnitt über einen **Austauschplatz** absolvieren werden (Achtung: außer Erasmus-, Fakultäts- und Studiengangspartnerschaften; zudem auch nicht offen für Vollzeitstudierende, die einen kompletten Studiengang in Freiburg studieren möchten). Die Ausschreibung für Studierende der ALU, die an einer internationalen Partneruniversität studieren wollen, erfolgt separat.

Bewerbungsvoraussetzungen

Das Baden-Württemberg-STIPENDIUM ist an einen Austauschplatz gebunden, d.h. nur wer im Rahmen einer Universitätspartnerschaft (Vergabe dieser Plätze über das International Office der ALU) einen Austauschplatz (1 oder 2 Semester) an der ALU erhält, kann sich bewerben. Austauschstudierende im Rahmen des Erasmus-Programms oder von Fakultäts- und Studiengangspartnerschaften sowie internationale Studierende, die hier außerhalb eines Austauschabkommens als sogenannte Free Mover studieren möchten oder ein grundständiges Studium in Freiburg anstreben, sind leider nicht berechtigt, sich für ein Baden-Württemberg-STIPENDIUM zu bewerben. In Zweifelsfällen wenden Sie sich bitte an bw-stipendium@io.uni-freiburg.de.

Bitte beachten Sie zudem, dass das Studium nur für einen regulären Studienaufenthalt gedacht ist. Daher sind alle StipendiatInnen dazu verpflichtet, in Freiburg ein ordnungsgemäßes Studium in Vollzeit zu absolvieren. Dies bedeutet, dass alle StipendiatInnen (mit Ausnahme von DoktorandInnen, die hier forschen) pro gefördertem Semester mindestens 20 – 24 ECTS erwerben und dies nach Förderende in Form eines Transcripts of Records nachweisen müssen.

Stipendienhöhe und -dauer

Die Höhe des Stipendiums für Bachelor- und Master-Studierende unserer Partneruniversitäten, die einen Austauschplatz an der ALU und ein Baden-Württemberg-STIPENDIUM erhalten, beträgt 600 Euro pro Monat. Für Doktoranden beträgt das Stipendium 900 Euro pro Monat. Die Stipendiendauer richtet sich nach den Vorlesungszeiten an der ALU. Im Rahmen der „regionalen entwicklungspolitischen Komponente (REK)“, einer Sonderlinie des BW-Stipendiums, können Bachelor- und Master-Studierende unserer Partneruniversitäten in Südafrika und Ghana mit 900 € pro Monat gefördert werden.

Bewerbungsmodalitäten

1) Bitte bewerben Sie sich zunächst beim International Office Ihrer Heimatuniversität, indem Sie dort das ausgefüllte Bewerbungsformular einreichen und die dortigen Mitarbeiter darum bitten, es vor Ende der jeweiligen Deadline an folgende Emailadresse zu schicken: bw-stipendium@io.uni-freiburg.de. Sollte es mehrere Bewerber der gleichen Partneruniversität geben, sollte das International Office Ihrer Heimatuniversität zusätzlich ein entsprechendes Ranking in dieser Email mitschicken. Das Bewerbungsformular finden Sie auf unserer Homepage im Bereich „Incomings“ und dann im Bereich „Bewerbungsmodalitäten“ unter: **http://www.studium.uni-freiburg.de/de/beratung/austausch/bw-stipendium**

Bewerbungen von Incoming-Studierenden werden nur akzeptiert, wenn dieses Bewerbungsformular von dem zuständigen International Office Ihrer Heimatuniversität an das International Office der ALU gesendet wird. Bewerbungen, die uns anderweitig zugesendet werden, können leider nicht berücksichtigt werden.

2) Nach der Bewerbung beim International Office Ihrer Heimatuniversität müssen Sie sich zusätzlich **online bewerben**. Die Online-Bewerbung erfolgt unter folgendem Link:

https://www.bws-world.de/?network&lang=de

Nach erfolgreicher Registrierung müssen Sie die erforderlichen persönlichen Informationen eingeben und folgende Dokumente hochladen: Motivationsschreiben, Lebenslauf, Leistungsübersicht und ein Sprachzeugnis (Deutsch oder, wenn in Freiburg nur englischsprachige Kurse besucht werden, Englisch. Wenn Sie nur englischsprachige Kurse besuchen und dies Ihre Muttersprache ist, erstellen Sie bitte ein einfaches Schreiben mit Ihrer Unterschrift, in dem Sie dies bestätigen). Zusätzlich für Doktoranden: Betreuungszusage des Betreuers an der ALU auf Briefkopf mit Angabe der genauen Anfangs- und Enddaten des Aufenthaltes und zur Arbeitssprache, mit handschriftlicher Unterschrift des Betreuers/der Betreuerin. Alle vorhandenen Vorlagen finden Sie ebenfalls unter dem Link zur Homepage auf der ersten Seite dieser Ausschreibung.

Bitte beachten Sie, dass die Online-Bewerbung erst vollständig abgeschlossen ist, wenn sie abgeschickt wurde.

Eine Bewerbung für **Studienaufenthalte ab dem Wintersemester 2019/20** (d.h. WS 2019/20 oder WS 2019/20 UND SoSe 2020) muss spätestens bis zum

01. April 2019

vollständig (d.h. abgeschlossene Online-Bewerbung und Eintreffen des Bewerbungsformulars beim International Office der Universität Freiburg) erfolgt sein. Bitte beachten Sie, dass nur vollständige und fristgerecht eingegangene Bewerbungen in die Auswahl einbezogen werden können.

Mit einer endgültigen Zusage durch die Baden-Württemberg Stiftung wird Ende Juni 2019 bzw. Ende Dezember 2019 (für Aufenthalte ab dem Sommersemester 2020) gerechnet.

Bewerbungen für **Studienaufenthalte mit Beginn im Sommersemester 2020** sollten dem International Office so früh wie möglich angekündigt werden. Die Bewerbung sowie alle Unterlagen sind in diesem Fall bis spätestens zum **04. November 2019** einzureichen.

Fakultätspartnerschaften

Bewerbungen im Rahmen einer Fakultätspartnerschaft sind ab dem akademischen Jahr 2019/20 nicht mehr möglich. Für Incomings aus Fakultätspartnerschaften wird derzeit in Abstimmung mit der Hochschulleitung an einem umfassenden Anreiz- und Servicepaket gearbeitet. Daher können sich aktuell nur Outgoings aus Fakultätspartnerschaften bewerben.

Ergänzende Hinweise

Es ist nicht möglich, das Baden-Württemberg-STIPENDIUM zu erhalten und gleichzeitig andere Stipendien, die der Deckung der Lebenshaltungskosten in Freiburg dienen, in Anspruch zu nehmen. Der Bezug zusätzlicher Mittel für andere Zwecke, wie z.B. ein Fahrtkostenzuschuss, ist jedoch möglich. Wenden Sie sich in Zweifelsfällen bitte an bw-stipendium@io.uni-freiburg.de.

Ansprechpartner

Bei Fragen zum Baden-Württemberg-STIPENDIUM können Sie sich an bw-stipendium@io.uni-freiburg.de wenden. Da die Baden-Württemberg Stiftung die operative Abwicklung des Stipendienprogramms zu großen Teilen an die jeweiligen Universitäten abgegeben hat, bitten wir Sie, von Anfragen bei der Baden-Württemberg Stiftung abzusehen und stattdessen das International Office zu kontaktieren. Auf der Homepage der Baden-Württemberg Stiftung wird das Baden-Württemberg-STIPENDIUM beschrieben. Verbindlich für die Freiburger Studierenden ist jedoch (besonders in Hinblick auf Fristen, Stipendiensätze, etc.) die entsprechende Ausschreibung der Universität Freiburg.

BADEN-WÜRTTEMBERG-STIPENDIUM (2019/20)

ALBERT-LUDWIGS-UNIVERSITÄT FREIBURG

Call for Applications for **Incoming students**

(Attention: Subject to final approval of the Baden-Württemberg Stiftung)

We accept applications from students and doctoral candidates of our partner universities **within the university-wide exchange program "Freiburg Global Exchange"**, who wish to spend one or two semesters at Albert-Ludwigs-University (ALU) as **exchange students** (except students who take part in the Erasmus program or in departmental exchange programs or joint study programs; also not available for full-time students who want to study an entire degree in Freiburg). The call for applications for students from ALU who wish to study at a foreign partner university is announced separately.

Application Regulations

The Baden-Württemberg-STIPENDIUM is only available for exchange students within the program "Freiburg Global Exchange". This means that only students who are studying at ALU for 1 or 2 semesters as exchange students, coming from one of the partner universities (via the International Office at ALU) to ALU, are eligible to apply. Erasmus students, as well as students studying a joint study program or who will study here via a departmental exchange program or as free movers (outside the mentioned exchange programs) or who are planning on completing a complete course of studies in Freiburg, are not eligible to apply! In cases of doubt or questions please contact bw-stipendium@io.uni-freiburg.de.

Please also note that the scholarship is only intended for regular study stays. Thus, all scholarship holders are obliged to study in Freiburg regularly and full-time. This means, that all scholarship holders (except from doctoral candidates who are doing research here) must earn at least 20 – 24 ECTS per semester in Freiburg and have to prove this by handing in a transcript of records after the end of the funding period.

Amount and Duration of Funding

Masters and bachelor students from our partner universities who are awarded the scholarship will receive 600 Euros per month; doctoral candidates will receive 900 Euros per month. The scholarship period depends on the lecture periods at ALU. As there is a special program line of the BW-Stipendium for certain countries called „regionale entwicklungspolitische Komponente (REK)", bachelor and master students from our partner universities in South Africa and Ghana can be funded with 900 € per month.

Application Procedure

1) Applicants must **apply at the International Office at their home university,** by handing in the completed application form and asking them to send this form (and, if there are several applicants from the same university, an official ranking of all applicants) to the following email address: bw-stipendium@io.uni-freiburg.de. The respective application form can be downloaded from the following website in the section for incomings and then in the section "Application Procedure":

http://www.studium.uni-freiburg.de/en/counseling/exchange-programs-and-studying-abroad/bw-scholarship?set_language=en

Applications from incoming students are accepted only if the application form is forwarded by the International Office at their home university to the International Office at ALU. No applications sent directly to the International Office in Freiburg will be accepted.

2) After submitting the written application to the International Office at their home university, **applicants must apply online**. The online application can be found at:

https://www.bws-world.de/?network&lang=en

After their successful registration, applicants must insert the required personal information and upload the following documents: a letter of motivation, a CV, a transcript of records and a language certificate (German or if all courses taken at ALU will be English-taught, English. If you are only attending English-taught courses and English is your native language, please write a simple letter with your signature, stating that this is the case). Additionally for PhD candidates: Letter of acceptance on letterhead issued by the professor who will supervise the studies at ALU, including the start and end date of your sta, the working language, and a handwritten signature of the supervisor in Freiburg.

Respective forms can be found on the homepage mentioned on the previous page of this call for applications, if available.

Please note, that the online application is not completed before actually sending it.

For stays beginning in the winter semester 2019/20 (i.e. winter semester 2019/20 or winter semester 2019/20 AND summer semester 2020), the application must be complete (completed online-application and all documents received by the International Office at ALU) by

April 01, 2019

Please note that only complete applications received before the end of the deadline will be considered. Applicants will be notified by the Baden-Württemberg Stiftung if they have been selected for the scholarship around the end of June 2019 or at the end of December 2019 (for stays beginning in the summer semester 2020), respectively.

For stays beginning in the summer semester 2020, students should be nominated by their home university as soon as possible. The application and all additional documents must be received by the International Office at ALU no later than **November 4, 2019.**

Departmental Exchange Programs

As of the academic year 2019/20, students studying at ALU via a departmental exchange program cannot apply for a BW scholarship, anymore. In consultation with the university management, a comprehensive service package for incomings coming via a departmental exchange program is being developed. Thus, currently only outgoing exchange students from Freiburg can apply for a scholarship if they are going abroad via a departmental exchange program.

Additional Information

You cannot receive any other scholarships that support living and studying in Freiburg in addition to the Baden-Württemberg-STIPENDIUM. However, you are allowed to receive additional scholarships for other purposes, e.g. for travel costs. In cases of doubt or questions please contact bw-stipendium@io.uni-freiburg.de.

Contact partners

If you have any questions concerning the Baden-Württemberg-STIPENDIUM program, please write an email to: bw-stipendium@io.uni-freiburg.de.

The Baden-Württemberg Stiftung has given the operational control of the scholarship program to the individual universities. General information about the scholarship can be found on their website. Please direct all questions to the International Office at ALU. All announcements, deadlines and other information regarding the scholarship amount are determined by the University of Freiburg.

Language
Living in Germany is a wonderful way to learn a language spoken by millions of people around the world (including more than 90 million native speakers!) and in many top research labs and companies. That said, the University of Freiburg increasingly offers opportunities for students with no prior knowledge of German, including entire degree programs taught in English – see www.uni-freiburg.de/go/international-master-en for details. The university´s Language Teaching Centre (SLI) offers a variety of language courses and examinations for students to help you improve your language skills during your studies. The current program is available at www.uni-freiburg.de/go/sli-en.

Housing & Living Expenses
Students typically choose to live in a dormitory, a shared apartment or a room in a private home. The Studentenwerk (student union) helps place students in housing situations that suit individual needs, or students can find housing on their own. Shared housing arrangements are a wonderful way to get to know German students and learn the language. Monthly living costs are about €700 to €800 (including student housing, health insurance and a German language course).

I'd Like to Learn More!
We're glad that you'd like to know more about our institution – and we're happy to help! Our team in the International Admissions and Services Department (IAS) is looking forward to speaking with you and answering any questions you might have. Drop us a line at international@service.uni-freiburg.de or visit our webpage at www.uni-freiburg.de/go/ias-en.

10 Reasons to Choose the University of Freiburg

Information for International Students

UNI FREIBURG

Albert-Ludwigs-Universität Freiburg

Why Freiburg?
Top 10 Reasons to Choose the University of Freiburg

1. Academic Excellence
The University of Freiburg is one of the oldest and most renowned higher education institutions in Germany. Freiburg is listed among the best German universities according to the latest Academic Ranking of World Universities. Our graduates and faculty members include a number of Nobel laureates, and many are at the top of their fields. We have partnerships with top universities, research institutions, and businesses around the world.

2. Highly Satisfied Students
Surveys show that most graduates would choose to study at the University of Freiburg again if they had the chance. Teaching and education lies at the heart of our work, and all degree programs undergo continuous, rigorous evaluation and development. We are committed to offering our students an education that meets the latest academic and methodological standards and provides them with first-class professional skills.

3. Affordable, Yet High Quality
Higher education in Germany receives generous state subsidies, which allow all students, including international students, to take advantage of the incredibly low cost of higher education. The only fee is an administrative and student activity fee of €105 per semester, which includes a discount on the regional transportation pass and access to the inexpensive student cafeterias. Many scholarships are available for qualified international students. Visit the website of the German Academic Exchange Service (DAAD) to explore your options: www.daad.de/en/

4. Comprehensive Student Support Services
We take service seriously at the University of Freiburg. Students have access to a wide variety of assistance and advice to support them in all aspects of their studies and personal lives. International students are given additional support designed to meet their unique needs. Before the semester begins, students attend an orientation week that introduces them to the university, the various faculties and their respective study program. Experienced students mentor new students during the first few weeks, and advisors are available to provide ongoing academic support. Combined with the friendly and open nature of our city and university, this allows most international students to easily make connections and quickly feel at home.

5. Diversity on Campus
With close to 3,500 international students and a large number of renowned international scholars as guest professors or full-time faculty, we offer a truly cosmopolitan and diverse atmosphere in the middle of one of Germany's most charming cities.

6. Old World Charm with a Youthful Flair
Freiburg is rich in history. The city´s many sights, including the historic city center, are a magnet for tourists. The large number of students living in Freiburg keeps the city young, as does the wide array of nightlife and cultural attractions.

7. Great Location & Comfortable Climate
Freiburg is well known for its extremely high quality of life, and many visitors end up staying for good. Whether that is due to the fact that we have the most hours of sunshine of any German city or the unique atmosphere that permeates the capital of the Black Forest, Freiburg appeals equally to fans of nature, culture or the simple pleasures of life. Located less than an hour by train from France and Switzerland and ringed with green hills and vineyards, Freiburg's ideal geographic location offers boundless opportunities for relaxation and exploration.

8. Recreational Activities
The area surrounding Freiburg offers many recreational options for the active student – skiing, hiking, cycling and mountain biking, just to name a few. In addition, students may join in a myriad of athletic activities and courses offered by our university sports club.

9. Close-knit Student Community
Freiburg is a student town. Most university buildings are located directly in the city center or in adjacent neighborhoods. Members of the university community can be found in all corners of the city at any time of day – in cafes and bars as well as on their way to lectures, seminars and libraries. With more than 30,000 students in Freiburg's population of 224,000, you will quickly start recognizing familiar faces as you walk through town!

10. "Green City"
Freiburg earned this name and reputation due to its high environmental standards, its innovative research and development (including at the university), and its general attitude toward the environment. More than three decades ago, the city made a commitment to finding alternative sources of energy, saying "no" to nuclear energy. Freiburg actively seeks to conserve energy, to use new technologies and renewable energy sources. It is, therefore, no wonder that Freiburg is home to companies and research institutes that are frontrunners in the field of solar technology. This is a place where high-tech research and successful entrepreneurship go hand-in-hand.

// Die Universität Freiburg im Südwesten Deutschlands
// *The University of Freiburg in Southwestern Germany*

Die „Green City“ Freiburg im Südwesten Deutschlands ist bekannt für ihre Schwarzwaldberge, ihren Freizeitwert, ihren hohen Umweltstandard, den Weinbau und natürlich für die Albert-Ludwigs-Universität. Die 1457 gegründete Hochschule liegt mitten in der Stadt. Sie ist als eine der besten deutschen Universitäten mit der ganzen Bandbreite von Fächern an elf Fakultäten in bundesweiten Wettbewerben für ihre exzellente Forschung und Lehre vielfach ausgezeichnet worden. Von den Geisteswissenschaften über technische Disziplinen bis hin zum Universitätsklinikum, einer der größten medizinischen Einrichtungen Europas: Die Universität bietet ihren mehr als 24.000 Studierenden ein Umfeld, in dem es Freude bereitet, zu lernen, zu forschen und zu leben.

The “Green City” Freiburg in southwestern Germany is known for its idyllic location on the edge of the Black Forest, its excellent recreational offerings, its high environmental standards, its vineyards, and of course its university. Founded in 1457, the University of Freiburg is situated in the heart of the city. The many national distinctions it has attained for its excellent research and teaching testify to its status as one of the premier universities in Germany. Eleven faculties offer more than 24,000 students in a broad spectrum of fields – from the humanities and engineering to medicine at the University Medical Center, one of the largest medical facilities in Europe – an environment in which it is a pleasure to study, to research, and to live.

// Trinationale Bildungsregion

In der trinationalen Bildungsregion am Oberrhein, mitten im Herzen Europas, arbeiten Spitzenwissenschaftlerinnen und -wissenschaftler aus der ganzen Welt. Die Universitäten Freiburg, Basel, Karlsruhe, Mulhouse und Strasbourg kooperieren in EUCOR, der Europäischen Konföderation der Oberrheinischen Universitäten, in Forschung und Lehre. Sie bilden mit ihren 100.000 Studierenden, 11.000 Dozierenden und Forschenden, 10.000 Doktorandinnen und Doktoranden und einem Gesamtbudget von jährlich mehr als 1,5 Milliarden Euro einen grenzüberschreitenden Wissenschaftsraum von Weltrang.

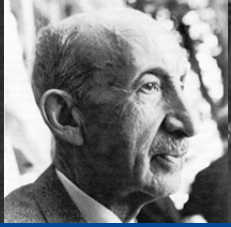

GRAFIK: QU-INT

// *Trinational Educational Region*

Situated in the heart of Europe, the trinational educational region on the Upper Rhine is home to top researchers from around the world. The universities of Freiburg, Basel, Karlsruhe, Mulhouse, and Strasbourg pool their expertise in EUCOR, the European Confederation of Universities on the Upper Rhine. This world-class, transnational research and teaching alliance encompasses 100,000 students, 11,000 teaching and research faculty, 10,000 doctoral candidates, and a total yearly budget of more than 1.5 billion euros.

// Anziehungspunkt für die weltweite Elite

Der hohe Standard in Forschung und Lehre hat viele außerordentlich begabte Frauen und Männer an die Freiburger Universität gebracht. Sie finden hier ideale Bedingungen vor, um ihren Forschertraum zu verwirklichen. Zehn Nobelpreisträger haben an den Freiburger Fakultäten gelehrt. Ihre Leistungen prägen bis heute den wissenschaftlichen Diskurs in ihren Disziplinen und über die Fachgrenzen hinaus. Den Leibniz-Preis, die wichtigste wissenschaftliche Auszeichnung in Deutschland, haben Forscherinnen und Forscher der Freiburger Universität seit 1990 gleich 13-mal erhalten.

// *Attracting the World's Elite Scholars*

Our high standards in research and instruction have attracted many exceptionally talented women and men to Freiburg, where they find ideal conditions to conduct the research of their dreams. A total of ten Nobel laureates have taught at Freiburg's faculties, and their achievements inspire the academic discourses of their respective disciplines as well as other neighboring disciplines to this day. The Leibniz Prize, the most prestigious research award in Germany, has gone to no fewer than 13 University of Freiburg scholars since 1990.

// Forschen für Fortgeschrittene
// *Top-Notch Research*

An 18 wissenschaftlichen Zentren, mehr als 100 wissenschaftlichen Einrichtungen der Fakultäten und in zahlreichen Sonderforschungsbereichen widmen sich Forscherinnen und Forscher unterschiedlicher Disziplinen einem Thema. Von Mittelalterstudien oder der Erforschung erneuerbarer Energien über Materialwissenschaften bis hin zu den Life Sciences: Die Wissenschaftlerinnen und Wissenschaftler profitieren von der gemeinsamen Infrastruktur. Darüber hinaus kooperieren sie bei ihren Projekten mit nationalen und internationalen außeruniversitären Partnern.

Scholars from a wide range of disciplines pursue their research interests at 18 research centers, more than 100 faculty research institutes, and numerous collaborative research centers. From medieval studies or research on renewable resources to materials science and the life sciences, all of our researchers profit from a common infrastructure. In addition, they have the opportunity to conduct joint research projects with the university's many national and international partners.

// Lehren und Lernen auf höchstem Niveau
// *Teach and Learn at the Highest Level*

Das Studienangebot der Universität Freiburg ist bei dem bundesweiten Wettbewerb „Exzellente Lehre“ ausgezeichnet worden. Mehr als 200 Fächer stehen den Bachelor- und Masterstudierenden zur Auswahl. Sie profitieren von erfahrenen Dozierenden, die ihre aktuellen Forschungsergebnisse in die Seminare und Vorlesungen tragen. Außerdem entwickelt die Universität zukunftsweisende Modelle: Am neuen University College Freiburg (UCF) hat der bundesweit erste englischsprachige Bachelorstudiengang Liberal Arts and Sciences begonnen, der Geistes- und Naturwissenschaften ebenso wie Theorie und Praxis zusammenführt.

The high quality of the University of Freiburg’s course offerings has been recognized in the nationwide “Excellent Instruction” competition. Students can pursue a bachelor’s or master’s degree in over 200 fields of study. They profit from experienced educators who carry their current research findings over into their seminars and lectures. Moreover, the university is developing innovative instructional models: The new University College Freiburg (UCF) has launched the country’s first English-taught bachelor’s program Liberal Arts and Sciences, which combines the humanities and the natural sciences as well as theory and practice.

// Internationale Partnerschaften
// *International Partnerships*

Die Universität Freiburg ermöglicht durch Teilnahme an Austauschprogrammen wie Erasmus ihren Studierenden und Forschenden Aufenthalte im Ausland. Studierende der Universität Freiburg können das Lehrangebot der Universitäten Mulhouse, Strasbourg, Basel und Karlsruhe nutzen, die sich zum Verbund der oberrheinischen Universitäten (EUCOR) zusammengeschlossen haben. Studierende und Forschende aus dem Ausland sind in Freiburg herzlich willkommen. Das International Office (IO) pflegt Partnerschaften mit hervorragenden Universitäten weltweit.

The University of Freiburg gives its students and researchers the opportunity to study abroad through participation in exchange programs like Erasmus. In addition, our students can take courses at the universities of Mulhouse, Strasbourg, Basel, and Karlsruhe thanks to the membership of these institutions in the European Confederation of Universities on the Upper Rhine (EUCOR). Students and researchers from abroad feel right at home in Freiburg. The International Office (IO) maintains partnerships with outstanding universities around the world.

// Weiterbildung: Lernen über das Studium hinaus

Fachkenntnisse vertiefen und erweitern, Forschungsinteressen oder Karriereziele verfolgen: Das ist an der Universität Freiburg jederzeit möglich. Die Freiburger Akademie für Universitäre Weiterbildung (FRAUW), das Sprachlehrinstitut (SLI) und das Studium generale bieten vielfältige Programme an, die begleitend zu einer Berufs- oder Familientätigkeit belegt werden können. Auch Gasthörende sind in ausgewählten Veranstaltungen willkommen.

FOTO: MESENHOLL

// Continuing Education: Broaden Your Horizons

The University of Freiburg offers you the chance to deepen and extend your knowledge, engage in research interests, or pursue career goals even after you finish your degree. The Freiburg Academy of Continuing Education (FRAUW), the Language Teaching Center (SLI), and the Studium Generale offer a full range of programs you can complete alongside a full-time job or while raising a family. Guest students are also welcome to audit selected courses.

Herzlich willkommen!
Internationales Alumni Meeting
Albert-Ludwigs-Universität Freiburg
6. bis 8. Juli 2012

// Alumni Freiburg: Der Kontakt zu ehemaligen Studierenden // *Alumni Freiburg: Contact with Former Students*

1997 hat die Universität Freiburg als erste Hochschule in Deutschland begonnen, den Kontakt zu ehemaligen Studierenden aufzubauen. Von Alumni Freiburg erhalten sie alle wichtigen Informationen über ihre Hochschule. Rund 90.000 Alumnae und Alumni stehen heute weltweit über das Alumni-Club-Netzwerk in Kontakt mit ihrer Universität. In 17 nationalen und internationalen Clubs laden die Alumni zu Veranstaltungen ein. Alumni-Meetings in Freiburg bieten die Gelegenheit, Universität und frühere Studienfreunde wiederzusehen. Über den Förderverein Alumni Freiburg e.V. können sich Ehemalige nach dem Studium für ihre Hochschule engagieren.

In 1997 the University of Freiburg became the first higher education institution in Germany to establish an alumni organization. Today the alumni club network extends across the globe and includes around 90,000 alumnae and alumni. Alumni Freiburg keeps you up to date on all important news from your university. 17 national and international clubs hold regular alumni events. Alumni meetings in Freiburg provide you an opportunity to visit your alma mater again and meet up with old friends. The booster association Alumni Freiburg e.V. gives you the chance to stay involved at the university after completing your studies.

// Universitätsbibliothek

Sie verfügt über mehr als drei Millionen Medien und hat 24 Stunden täglich geöffnet: Die Freiburger Universitätsbibliothek ist eine der größten wissenschaftlichen Bibliotheken Deutschlands. Ihr Open-Access-Portal bietet eine elektronische Plattform für Publikationen, die in der Universität entstanden sind. Derzeit wird das Gebäude saniert – wenn die neue Bibliothek eröffnet, wird sie 1.700 Arbeitsplätze für Nutzerinnen und Nutzer bereitstellen.

MONTAGE: UNIVERSITÄTSBAUAMT/ARCHITEKT DEGELO/BASEL

// *University Library*

One of the largest research libraries in Germany, the Freiburg University Library contains over three million volumes and is open 24 hours a day. Its open access portal offers an electronic platform for publications written at the university. The building is currently being renovated from the ground up – when the new library opens, it will provide workspaces for 1,700 patrons.

// Studieren in Freiburg // *Studying in Freiburg*

In Freiburg lässt es sich exzellent studieren, arbeiten und leben. Die Universität berät und unterstützt ihre Studierenden, damit sie sich schnell zurechtfinden und wohlfühlen. Sie hilft ihren Beschäftigten bei der Suche nach einem Arbeitsplatz für die Partnerin oder den Partner, einer Wohnung oder einem Kinderbetreuungsplatz. Das Studentenwerk vermittelt Studierenden Jobs und berät sie in finanziellen Fragen. Außerdem betreibt es Mensen und bietet Wohnheimplätze. Hinzu kommen Freizeitangebote zahlreicher studentischer Gruppen und des Hochschulsports.

Freiburg is an excellent place to study, work, and live. The university provides advising and support for beginning students to help them feel right at home from day one. New employees receive help finding a job for their partner, an apartment, or child care. The Office of Student Services helps students find part-time jobs, provides a financial advising service, and runs the university's cafeterias and dorm rooms. Last but not least, numerous student groups and our Recreational Sports Program invite you to engage in a diverse range of recreational activities.

// Die Universität auf allen Kanälen

// A Strong Media Presence

Zusätzlich zur Zeitung uni'leben, dem Forschungsmagazin uni'wissen, zu dem Lehr- und Lernbuch uni'lernen sowie zu uni'alumni, dem Magazin für ehemalige Studierende, bietet die Universität zahlreiche Informationsportale im Netz an: etwa zahlreiche Podcasts, die Themen aus der Universität behandeln, oder uniCross, eine multimediale Plattform mit studentischer Online-Redaktion, uni.tv und Uni-Radio, die Studierende zum Mitmachen einladen. Hinzu kommt das Forschungsportal Surprising Science, das Texte, Bilder und Videos zu herausragenden Forschungsprojekten der Albert-Ludwigs-Universität bereitstellt.

Besides the newspaper uni'leben, the research magazine uni'wissen, the teaching and learning book uni'lernen, and the alumni magazine uni'alumni, the University of Freiburg also offers numerous online media resources, such as a large selection of podcasts on topics from the university and uniCross, a multimedia news portal with an online student editorial staff. Also run by students are the television studio uni.tv and the university radio station Uni-Radio. In addition, the research portal Surprising Science publishes texts, images, and videos presenting outstanding research projects at the University of Freiburg.
